CONFIRMATION OF MINUTES

MHR: Would someone like to adopt the minutes from the 2017 Annual General Meeting held 20th September 2017.

Adopted by Beth O'Loughlin (HFC), seconded by Jo Legat (Isabel Harris).

MATTERS ARISING FROM PREVIOUS MINUTES

There were no matters arising from those minutes.

CHAIRPERSON'S REPORT

- · MHR spoke to his report as provided in the AGM Booklet.
- \cdot MHR announced that BS will be stepping down from the NBA Board.

Questions from the floor:

There were no questions from the floor.

MHR: Would someone like to adopt the Chair's report: Adopted by Peter Cleland (Molesworth Fruit), seconded Megan Sadgrove (Smith & Caugheys).

Chief Executive's Report:

• MKT spoke to his report as provided in the AGM Booklet. Questions from the floor:

There were no further questions from the floor.

MHR: Would someone like to adopt the Chief Executive's report:

Adopted by Iain MacGibbon (Farrow Jamieson), seconded Ngaire Stone (Exhibition's Gallery).

Treasurer's Report:

 \cdot CS presented the financials for the period to 30 June 2018 as provided in the AGM Booklet, including the auditor's report and the 2019 and 2020 budget.

Questions from the floor:

Peter (Molesworth Fruit) – Will we lose BID funding because of the closure of Westfield?

MKT – No. Our BID levy is fixed regardless of changes to property – it is just redistributed.

Damon (Ecco Shoes) - We have \$50,000 in reserves. Are we expecting to spend it on advertising and promoting Newmarket?

MKT- We have budgeted additional \$100,000 in this year's budget for development response which will go towards generic brand promotion.

Doris Mousdale (Arcadia Books) – Is it time to spend more money of our own Christmas Decoration especially with Westfield Mall being closed?

MKT – We have a 2 year cycle when we purchase bulk decorations one year and drop out next year. Christmas decorations are very expensive, and we don't have enough budget to buy new decorations every year. We would rather spend more money on promoting Newmarket through print and digital promotion and drive more people into Newmarket to shop.

Working with building owners/landlords has proven difficult, which means we can't install light and decorations on buildings without their permission.

MKT - I would like to propose united hours across Newmarket for 5 weeks leading up to Christmas (9am-8pm).

MHR: Would someone like to adopt the Treasurer's report: Adopted by Evan King (The Lumsden), seconded Neil Durie (Retreat Rialto).

CARRIED

Adoption of Financial Statements

MHR: Would someone like to adopt the financial statements: Adopted by Neil Durie (Retreat Rialto), seconded Clayton Smith (The Poi Room).

CARRIED

Adoption of Auditor's Report

MHR: Would someone like to adopt the Auditor's Report: Adopted by Beth O'Loughlin (HFC: Civil & Structural), seconded Clayton Smith (The Poi Room).

<u>CARRIED</u> <u>CARRIED</u>

Appointment of Auditors

MHR: Asked for a motion to appoint JSA Limited as auditors for the following year:

Adopted by Evan King (The Lumsden), seconded Joanna Legat (Isabel Harris Ltd).

CARRIED

Appointment of Scrutineers

MHR no need to appoint scrutineers this year as we are not having an election

Approval 2019 Budget

Budget 2019/2020 – there is a proposed rate increase of 3.5 % to the BID levy

MHR: Asked for a motion to approve a BID levy increase of 3.5%, and a show of hands to approve.

Adopted by Megan Sadgrove (Smith and Caughey), seconded Joanna Legat (Isabel Harris Ltd). Majority of hands raised.

CARRIED

Appointment of Board Successful candidates

MKT announced the following nominations were received and have been elected to the Newmarket Business Association Board for the next 12 months:

Carl Sowter (Marley Loft Ltd), Mark Hill-Rennie (ANZ), Rachel Dovey (Bayleys), Tim McFarlane (FlexiCards), Christina Yu (Chinese Herald) and Emlyn Lloyd (Masfen Group) and Kalpana Reddy (Chow:Hill).

Bridget Smith (SBM Legal) will be stepping down from the NBA Board.

General Business

No general business.

Questions from the floor:

Chris Cherry (Workshop) - Can we do some research on similar major developments like Westfield around the world in terms of how we should respond?

MKT – We have created a new role of Business Strategic Manager for Portia to look into development response around the world. We are using this data to help us with development our response strategy for Newmarket.

Nicole Dale (October Reign) – What is going to happened to Nuffield Street and other Newmarket Streets when big Retailers like Country Road will move into a new Westfield Mall?

MKT - Nuffield Street is part of Scentre Group (Westfield). They will re-tenant the shops or possibly change the tenant mix.

Some of the business may be trading better outside the mall, so they might to decide to stay.

We had forecasted 25% drop in sales (Westfield Mall is 25% of Newmarket economy) for this year but the actual decrease was 18%, which is 7% better than expected.

Damon (Ecco Shoes) - What's your vision for Newmarket's future?

MKT – I think it's fantastic that Newmarket is getting almost a billion-dollar investment by Westfield, which means Newmarket can reassert itself as a very desirable destination, vibrant precinct with an increased population, new apartments and schools. Newmarket is going to become the epicentre of retail and hospitality for New Zealand and possibly Australasia.

Evan King (The Lumsden) – I would like to propose a vote of confidence for the work the Newmarket Business Association and Board are doing.

Majority of hands raised.

CARRIED

Resolution to decrease the quorum required for the AGM MHR: Asked for a motion to adopt quorum required for the NBA AGM from 30 Members to 20 Members.

[NB: following legal advice this resolution has not passed as we did not provide reasoning for the resolution in our public notification. Consequently, a quorum of 30 stands until such time as we re-address this via an AGM or SGM]

Chairperson's Report 2019 - Mark Hill-Rennie

It is my pleasure to report on behalf of the board on what has been another eventful year for Newmarket. Newmarket has been going through a significant transition with the mall redevelopment having a considerable impact. The Board itself has worked well together. It is good to know they put Newmarket at the heart of what they are doing to help foster a premium business area.

The finances of the Association remain in good shape with good reserves and revenue growing from sources other than just our BID income. Importantly costs were under control and being spent in the right areas. The reserves have been important as it enabled the Board to sign off on additional spending to promote Newmarket during the time the mall was closed.

Mark will comment in more depth on the approach the Association has taken in promoting and advocating for Newmarket in his report. It is worth noting however that Mark and his team have always kept the Board and members of the Association fully informed of what they are doing via various information sources. These include comprehensive Board reporting monthly, The Update, public meetings, face-to-face meetings with stake holders, media and council.

Some of the highlights for me this year were:

- The mall redevelopment getting to the opening stage. This was a significant vote of confidence in Newmarket and will have a massive flow on impact to the local economy as it fully opens by the end of this year.
- The Newmarket Business Awards. These continue to go from strength to strength and it is a testament to their popularity that we had to increase the number of tables again this year.
- The fantastic work done via our magazine, social media, other media and involvement in events like NZ Fashion Week ensure that Newmarket continues to be viewed as a premium destination.

- The advocacy work that Mark and his team do with Council, Council organisations and other organisations has ensured some good wins for Newmarket.
- The significant number of developments proceeding and planned for Newmarket which will significantly increase our day-time and night-time population. To name a few Mercury Energy (which some of my team moved in to this year), Auckland University, and a large number of other commercial developments and importantly apartment developments.
- Mark leads a small but highly engaged, hardworking and motivated team that's clear focus is to promote Newmarket as a destination to do business and base a business.
- Thank you to Di, Kelly, Zara, Portia, Faith, Ruby and Sarah for their fantastic contributions.

I would also like to thank my fellow Board members Deputy Chair Rachel Dovey (Bayley's), Treasurer Carl Sowter (Marley Loft) and the other Board members this term Emlyn Lloyd (Masfens Group), Kalpana Reddy (Chow:Hill), Christina Yu (Chinese NZ Herald).

I would also like to mention Waitemata Local Board Members Rob Thomas and Pippa Coom and thank them for their contributions. They both provide a valuable perspective on how Newmarket is performing and upcoming Council plans.

Finally, thank you as members of the Association for your ongoing support of the Association.

Mark Hill-Rennie Chairperson Newmarket Business Association

Chief Executive's Report 2019

Mark Knoff-Thomas

This year's AGM marks my sixth, and our evolution continues at a quickening pace this year. Consumer spend in the precinct has dropped by around 10.7% in the past financial year, and again this reduction is attributable to the significant decrease in merchants during the Westfield redevelopment. These results are the first full year we have reported on without Westfield's contribution, with the exception of Nuffield Street. We expect that the next 12 months will look markedly different as stages 2 and 3 of the Westfield development open as well as a re-settling in the wider retail and hospitality area. We anticipate accelerated growth that should see the precinct break through the billion-dollar mark by 2021.

Despite some media perception, we have fewer retail vacancies at the moment than we had 5 years ago. Broadway is going to experience some significant change in the months ahead, but we have been buoyed by the interest from new brands looking to be part of the Newmarket story.

The past 12 months have seen further disruption to retail and consumer expectations remain ever-increasing. Our hospitality remains strong, and our commercial businesses go from strength to strength. There have been new commercial buildings open up and a new high school, which has seen foot traffic in northern Broadway increase year-on-year. There are more commercial developments in the pipeline and we expect our employee population to continue its upward trajectory.

Below is a high-level summary that covers off actions and results over the past 12 months:

Finances

We had forecast a 170k deficit for the past year, but it came in around 70k better than budget. Some forecasted expenses didn't occur and will now fall into the new financial year – for example 30k for the next art project. Everything else has tracked to budget more-or-less. We contributed 30k towards a wayfinding signage project which will see new blade and gateway signs appearing in major spots in the near future.

In the 12 months ahead we will be working with Waitemata Local Board and Auckland Council to establish a second targeted rate. This rate will not solely be borne by commercial property owners, but by all properties, including residential, and in a wider catchment area. We have identified this as a key mechanism to accelerate the delivery of the Newmarket Laneways Master Plan. Otherwise we lobby and advocate against every other precinct in Waitemata and have to endure lengthy periods between upgrades.

Health and Safety

Health and Safety continues to be an agenda item at each monthly board meeting to ensure the NBA is meeting its legal compliance obligations. Please note the NBA's health and safety responsibilities are limited to the office, the NBA team and any events we directly manage, including any temporary or contract staff, or any third-party providers. We have full insurance policies in place. We had an unfortunate incident earlier this year when an elderly man tripped into an open tree pit and hit his head. The upshot of this has been increased vigilance by the council and their new contractors to ensure issues raised are addressed in a timely manner.

Consumer Engagement, Brand and Focus

Our two major social media platforms, Facebook and Instagram, have had continued success in driving increased consumer engagement. Our online content continues to resonate well with our consumers and our marketing team are continually evolving what this content looks like and how and when it is delivered. The website itself is undergoing continual improvement. As in previous years, doing regular giveaways has proven to be highly successful. The NBA marketing team has achieved "influencer" status and works with vast majority of PR firms working with our members. I would comment though, occasionally businesses in the precinct have held major events or launches and we seem to have slipped off the radar. I urge you to engage with us. More is more, to help us promote you, and the precinct.

We have run multiple consumer campaigns during the past 12 months - focused on bringing people to the precinct, as follows:

We have increased NEWMARKET. magazine's distribution to 60,000 copies a month. It is letterbox dropped to CBD fringe residences from St Heliers to Westmere, through Western Springs to Epsom, Remuera, Ellerslie/ Greenlane, St Johns and Kingsland and is specially targeted at our core consumer demographic. We have recently upgraded the digital format of the magazine to ensure that the user experience remains premium for our online readers. This includes a new shoppable

feature, which allows potential consumers to buy directly from items featured in the magazine.

Our above the line marketing strategy has continued – we are "always on". NEWMARKET. magazine is our most impactful tool, but we are also regularly running digital promotion through various online media sites. We are becoming more sophisticated with our consumer engagement and our target audiences.

TEAM

Once again we have enjoyed a stable year with the same core team and our headcount has remained the same. The NBA team is a total of 6.0 FTE. Both Tanya Robertson, our Office Manager, and Hanneke Kruger, our Graphic Designer, are currently on maternity leave, so Faith Zhu and Sarah Dragicevich have joined our team on a contract basis, whilst Tanya and Hanneke are on leave.

STRATEGY

Our three year strategy continues with the main strategic imperatives being:

1) Priority One: Increase Foot Traffic

2) Priority Two: Optimise Stakeholder Engagement

3) Priority Three: Advocacy

These three imperatives are reported on a monthly basis to the board and form the basis of the CEO's KPI's that are reviewed with the HR sub-committee. (See 3-year Strategic Plan inside this report).

DIVERSITY & INCLUSION

Over the past 2 years the NBA has taken a leadership position on diversity and inclusion, amongst our staff, our members and our consumers. We have identified four diverse key communities within Newmarket and have developed diversity and inclusion strategies that ensure that the NBA and Newmarket are accepting, inclusive and relevant to these communities. These strategies include the NBA holding community engagement workshops, Newmarket taking a leadership position when acknowledging, recognising and celebrating relevant cultural events and including the voices and opinions of these communities in any strategic Newmarket developments. The strategies are malleable, and it is our intention to continue to refine and evolve these over the coming years.

The four key communities are:

- 1) Māori and mana whenua
- 2) Chinese
- 3) LGBTQIA+
- 4) Youth

OTHER AREAS OF NOTE:

SECURITY

Patrols, CCTV & Pedestrian Count Cameras

City Guard continue to patrol the streets of Newmarket. We hold regular meetings to discuss issues and have developed a robust proactive strategy with regards to Newmarket's security in general. Again a particular concern has been the increase in homelessness and begging. These are two separate issues and we are working with multiple parties on this problem. We have also raised it as a key issue for the upcoming mayoral and local body elections.

Our CCTV network is fully operational and achieving excellent results. City Guard continue to communicate directly with their street surveillance guards at all times. This has been a significant step forward in terms of our management of crime in the precinct, and the proactive identification and alerting of known criminals. We are members of SaferCityGrid, a partnership between the Police and Auckland Transport, and all our CCTV cameras are transmitted to the District Command Centre at the Central Police Station and are now available to the police 24/7 365 days of the year.

GRAFFITI

Graffiti Solutions continue to manage the contract for the precinct and as always deliver an excellent service.

To finish off I would like to express my sincere thanks to the board, expertly chaired by Mark Hill-Rennie, Treasurer by Carl Sowter, Rachel Dovey, Kalpana Reddy, Emlyn Lloyd and Christina Yu. I, as always, have been very grateful for the support they have provided to me and the NBA team. Thanks also to Rob Thomas and Pippa Coom from the Waitemata Local Board who continue to support and advocate for Newmarket.

Finally, thank you to Di, Kelly, Portia, Zara, Tanya, Hanneke, Ruby, Faith and Sarah who continue to work so hard for Newmarket.

The full audited accounts have been included in your booklets. Here are some explanations on certain line items in these accounts.

STATEMENT OF FINANCIAL PERFORMANCE

INCOME

Our main source of funding is from the Business Improvement District Levy, or BID Levy, which is collected by Auckland Council and passed on to us. Included in Commercial Income are Sponsorship, Board Room Hire, NEWMARKET. advertising, Exclusive EDM's, Newmarket Business Awards, and Associate Memberships. Participation Fees came from Newmarket Business Award ticket sales.

EXPENSES

Included in Advertising & Events are Standard Events (Italian Festival, Anzac Day, Art Week, Newmarket Business Awards, Day of Luxury, Precinct Activations, Development Response and Christmas Fest), Generic Promotion includes Print and Digital marketing, Brochures, Creative, Website and NEWMARKET.

Meeting Expenses include Member Events, Precinct meetings, Chief Executive networking, AGM, Board meetings, and Council meetings.

STATEMENT OF FINANCIAL POSITION

Items in Accrued Expenses are Audit fee and Payroll costs. Income in Advance is the September 2019 BID Levy which Auckland Council gave to us early along with some SLIPS funding for the new App. Prepayments relate to Rent and Advanced Security CCTV lease paid in advance. During the year we spent \$8,694 on fixed assets, relating to IT and office furniture.

BUDGET SUMMARY

Also attached is a summary of our Actual results compared to Budget for 2019, the 2020 Budget and the proposed 2021 Budget.

NOTES TO THE SPECIAL PURPOSE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

1 REPORTING ENTITY

Newmarket Business Association Inc is an Incorporated Society established under the Incorporated Societies Act 1908.

2 BASIS OF PREPARATION

a) Statement of Compliance

These financial statements have been prepared in accordance with the Special Purpose Financial Reporting Framework for For-Profit entities (SPFR for FPE's). The framework is considered to be appropriate framework to meet the requirements of the Incorporated Societies Act 1908 and rules of the Association. They have been prepared for management, the members and financiers of Newmarket Business Association.

b) Basis of Measurement

These financial statements have been prepared on a historical cost basis, except as noted otherwise below. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

3 SUMMARY OF SIGNIFICANT ACCOUNTING PARTIES

a) Property, Plant and Equipment

Plant and equipment is measured at cost, less accumulated depreciation and any impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Additions and subsequent costs

Subsequent costs and the cost replacing part of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits or service potential will flow to the entity and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

In most instances, an item of property, plant and equipment is recognised at its cost. Where an asset is acquired at no cost, or for a nominal cost, it is recognised at fair value at the acquisition date.

All repairs and maintenance expenditure is charged to statement of financial performance in the year in which the expense is incurred.

Disposals

When an item of plant or equipment is disposed of, the gain or loss recognised in the statement of financial performance is calculated as the difference between the net sale proceeds and the carrying amount of the asset.

NOTES TO THE SPECIAL PURPOSE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Depreciation

Depreciation is charged on a diminishing value (DV) basis on all plant and equipment over the estimated useful life of the asset. Depreciation is charged to statement of financial performance and disclosed within expenses. The following depreciation rates have been applied at each class of plant and equipment.

Office furniture and equipment 12 – 60% DV Computer software and equipment 50 – 60% DV

The residual value and useful life of property, plant and equipment is reassessed annually.

b) Accounts Receivable

Accounts receivable are stated at their estimated realisable value.

c) Goods and Services Tax

Financial information in these accounts is recorded exclusive of GST with the exception of receivables and payables, which include GST. GST payable or receivable at balance date is included in the appropriate category in the Statement of Financial Position.

d) Leased Assets

The annual costs associated with leasing items which would otherwise be classed as fixed assets have been included in the Statement of Financial Performance as expenses. No such costs have been treated as conferring future benefit, and thus none have been capitalised.

e) Liabilities

Liabilities are stated at the estimated amounts payable and include obligations which can be reliably estimated. Current liabilities include the amounts payable in the next financial period.

f) Changes in Accounting Policies

There have been no specific changes in accounting policies and they have been applied on a consistent basis with those of the previous period.

4 TAXATION

No tax has been provided as the Newmarket Business Association is exempt for tax.

INDEPENDENT AUDITOR'S REPORT

To the Members of Newmarket Business Association Incorporated

Opinion

We have audited the special purpose financial statements of Newmarket Business Association Incorporated on pages 2 to 7, which comprise the statement of financial position as at 30 June 2019, and the statement of financial performance and statement of movements in accumulated funds for the year then ended, and notes to the special purpose financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects the financial position of Newmarket Business Association Incorporated as at 30 June 2019, and its financial performance for the year then ended, in accordance with the Special Purpose Financial Reporting Framework for For-Profit Entities (SPFR for FPEs), issued by Chartered Accountants Australia & New Zealand and the requirements of the Incorporated Societies Act 1908 and rules of the Association.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Financial Statements section of our report. We are independent of Newmarket Business Association Incorporated in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor, we have no relationship with, or interests in, Newmarket **Business Association Incorporated.**

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the special purpose financial statements, which describes the basis of accounting. The special purpose financial statements are prepared for the Entity, its members and financiers. As a result, the special purpose financial statements may not be suitable for another purpose and should not be distributed to or used by parties other than the Entity, its members or financiers. Our opinion is not modified in respect of this matter.

To Whom Do We Report To

This report is made solely to the Members, as a body, in accordance with constitution of Newmarket Business Association Incorporated. Our audit work has been undertaken so that we might state to the Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members as a body, for our audit work, for this report, or for the opinions we have formed.

Board's Responsibility for the Special Purpose Financial Statements

The Board are responsible for the preparation of the financial statements in accordance with an appropriate Special Purpose Framework to meet the requirements of the Incorporated Societies Act 1908 and rules of the Association, and for such internal control as the Board determine is necessary to enable the preparation of special purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial statements, the Board are responsible on behalf of the entity for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the entity or to crease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Special Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the special purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these special purpose financial statements.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the special purpose financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the special purpose financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as going concern.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Newmarket Business Association Strategic Plan 2018 - 2021

COMMERCIAL IN CONFIDENCE

OUR VISION AND GOALS

The Newmarket Business Association represents a group of over 1,300 building and business owners and is one of 48 Business Improvement District (BID) bodies within the Auckland region.

Our Vision is for the Association to be the authority on all matters related to Newmarket for all stakeholders, and at all times.

Our Goal is for Newmarket to be perceived as Auckland's premier urban lifestyle destination to shop, dine, play, work and live.

The core work of the Association is to advance the economic and business interests of our members within the Newmarket BID. This includes promotions, events, and ensuring the safety and security of the area. However, we understand that economic development is much broader and more complex than this. To enable the development of the Newmarket area, we work widely with the whole community, recognising that we all have a part to play in our town's success.

Over the next three years the Association will further build on the stable foundation that has been set during 2014-2018. We will continue to exercise fiscal responsibility while adding the most value we can to members across all of the sectors. Since mid-2014 the NBA has undergone extensive change, including restructuring of the team, re-scoping of the team's functions, cultural re-alignment to a more commercial model, and re-evaluation of the NBA's primary objectives and expected outcomes. The changes are largely complete and we look to the next three years as a phase of consolidation, and implementation to add greater value to the Newmarket business community.

According to Marketview reports Newmarket's annual sales were in decline from 2009-2013. Between 2014-2017 we saw Newmarket's decline cease and return to positive growth. Toward the end of 2017, our sales dropped again, due substantially to the reduction in merchants trading within Westfield. We expect to see further quarterly declines over the next 3-4 quarters, with a rebound in mid-2019, and then strong increases thereafter.

Our success is not achieved by any one group, nor any one initiative. We work in an environment of large external influence and diverse stakeholders, and must take a broad approach to effecting change. We see it as our role to make connections, to represent diverse voices, to critique proposals, and to focus on doing what we know we can achieve. These persistent efforts will yield the Newmarket of the future.

OUR STRATEGIC PRIORITIES FOR THE NEXT 3 YEARS

PRIORITY ONE: INCREASE FOOT TRAFFIC

- \cdot We will market Newmarket through a number of different means
- \cdot We will make Newmarket a more attractive place through decoration and development
- · We will make Newmarket an easier place to visit through having good transport solutions available
- · We will measure this through pedestrian foot traffic (via cameras), Paymark data, and event attendance.

PRIORITY TWO: OPTIMISE STAKEHOLDER ENGAGEMENT

- · We aim to optimize engagement with the property sector and share our vision
- · We will understand our consumer stakeholders at a granular level through the use of narrative research
- · We will ensure we have a diverse, engaged, and representative Board
- · We will work closely with local schools to improve youth engagement
- · We will increase our efforts to engage with our diverse consumers, residents and business owners, by:
 - · Providing diversity and inclusion training opportunities for businesses
 - · Increasing use of translated communications
 - · Celebrating our diverse communities, and being inclusive to all
- We will measure this through narrative research, Council and Paymark Data, the mix of businesses in the area, business confidence in the area, and engagement surveys with diversity communities and consumers.

PRIORITY THREE: ADVOCACY

- · We will advocate successfully to Council and CCOs
- We will effectively engage with our wider stakeholders
- We will measure this through voluntary and tangible invitations for comment, member engagement and satisfaction, and levels of social media activity.

OUR STRATEGIC PRIORITIES FOR THE NEXT 3 YEARS

PRIORITY ONE: INCREASE FOOT TRAFFIC

Our Areas of Focus will be:

We will promote Newmarket through a number of different means. From a marketing perspective there has been a deliberate and substantial shift away from an events based strategy and commitment at a macrolevel to above the line positioning of Newmarket as a brand and destination. This is being achieved through the in-house publication of NEWMARKET. magazine, external print, digital and social media channels. The Newmarket Business Association's marketing focuses on above the line branding of Newmarket as a precinct of choice to shop, dine, play, work and live through relevant print, digital and social media channels.

We will make Newmarket a more attractive place through decoration and development. We recognize that the appearance of a place has a significant effect on its appeal. We want Newmarket to continue to be a destination for high-end retail – as well as a hospitality destination of choice. Because of this, we will work to ensure that the area has continued appeal for the wide demographic that we wish to attract.

We will make Newmarket an easier place to visit through having good transport solutions available.

Newmarket has a main transport corridor that brings a lot of people to the centre. We want to ensure that these people continue to find it easy to travel to Newmarket, and continue to find it easy to stay within the area. We will work with Auckland Transport and Auckland Council on matters such as bus lanes, parking, and taxi stands, and will work to develop innovative solutions (for example electric car and electric bike charging stations).

We will measure this through the following means:

Key/Primary Measures:

- > Amount of foot traffic measured by pedestrian cameras at various times and days. Subsidiary Measurements:
- > Paymark Data Measured against camera data measured by precinct normalized against competing areas (e.g. CBD)
- > Event attendance Measured against camera data and Paymark data in order to gauge success.

PRIORITY TWO: OPTIMISE STAKEHOLDER ENGAGEMENT

OUR AREAS OF FOCUS WILL BE:

To optimise engagement with the property sector: The nature and longevity of businesses has economic implications for the area – we need sustainable businesses that complement our Newmarket offering, and that will take root in our business community. Connected to this is the management of our commercial properties: there are still some absentee landlords, which has a negative impact on tenants and increases the difficulty of engaging with building owners. We will influence these situations through establishing and maintaining strong relationships with land owners, commercial property agents and the property managers who oversee many of the tenancy arrangements.

We will have an engaged and representative Board: The Board of the Association should be comprised of people who represent business owners but also wider community interests. This includes the demographic that we wish to have (not just the one that we currently have).

We will increase our efforts to engage with our diverse consumers, students, residents and business owners: The landscape is changing and residential intensification, coupled with an ethnically diverse range of business owners and consumers, means we need to adapt our strategies to engage meaningfully with all these groups to ensure inclusion and connectivity is a reality. The precinct's schools are experiencing unprecedented growth and we must consider the wider needs of the school-age demographic. We will increase use of translated communications, celebrate our diverse communities, and make inclusion a foundation of what we do

We will measure this through the following means:

Key/Primary Measures:

> Narrative Research - Conducted annually to gauge authentic responses on the appeal of Newmarket.

Subsidiary Measurement:

- > Council and Paymark Data
- > Measuring the different split of businesses in the Newmarket area and possible inferences on economic performance
- > Members survey measuring business confidence in the Newmarket area
- > Engagement surveys with diverse communities and consumers.

PRIORITY THREE: ADVOCACY

The Newmarket Business Association is the ultimate advocate for the town centre and a key communications hub for local authorities, business and the media. We will be the facilitators of Newmarket-specific information, member businesses' details and local news. We will offer members' support on Newmarket matters but not individual business advice. We will act as a bridge to Council and bring people together and create networking opportunities. We will help create a sense of community.

The Newmarket Business Association engages in activities as a collective which individual members would struggle to advance. The Association's role is not to drive individual businesses, nor to be an event management company. We are here to promote and lobby on behalf of Newmarket as a whole.

Our Areas of Focus will be:

We will effectively advocate to Council and CCOs: Given the size and complexity of Auckland, Newmarket's regular engagement with Auckland Council and its CCOs is on ongoing and challenging proposition. We will keep engaged and educated, representing our people through a variety of channels.

We will effectively engage with our stakeholders: The Association has an excellent working relationship with the Waitemata Local Board. We will continue to build and maintain these trusted mutually beneficial working relationships.

We will measure this through the following means:

Key/Primary Measures

- > Invitation Decision Making Voluntary and tangible invitations for inputs into decisions by stakeholders (e.g. Council)
- > Invitation Media Comment Voluntary and tangible invitations for media comment.

Subsidiary Measurement:

- > Member Engagement Attendance at member events; Committee and Board involvement
- > Member Satisfaction Levels of Member satisfaction from surveys, anecdotes, and narrative research
- > Social Media Level of Activity
