

NEWMARKET. Heritage Trail

Discover the stories behind the streets of Newmarket with the Newmarket Heritage Trail – a self-guided journey through one of Auckland’s most historic and vibrant neighbourhoods. Featuring a number of heritage sites across the precinct, the trail brings the rich history of Te Ti Tūtahi / Newmarket to life through historic imagery, signage and storytelling in both English and Te Reo Māori. From significant Māori landmarks and early transport routes to Chinese market gardens, iconic buildings and hidden local stories, the trail offers a unique way to explore the people and places that have shaped Newmarket over time. Whether you’re a local, visitor or history enthusiast, download this map, follow the trail at your own pace, and experience a different side of Newmarket while exploring the heart of Tāmaki Makaurau.
